

# Terms and Conditions - Contract Work

## Self Builders Ltd Trading as FoamInstall

### 1) You, The Contractor, agree to

#### a) Supply of Company Information

The contractor will be expected to supply information about their own company for verification. Including;

- Company Name
- Company Registered Address
- Company Registration Number
- Company VAT Number

#### b) Supply of Job Information

FoamInstall must be given the correct information for the customer and installation. Including;

- Name
- Address
- Postcode
- Telephone Number
- Loft size/Area being sprayed into
- Any obstructions in the loft area
- Parking and access to the property

If there are any unforeseen obstructions that have not been found during the initial survey, for example a hidden bees nest or customer boxes and belongings then costs may be incurred. If this should cause delay in completing the installation in the first day the charge for the second day will be meterage plus day rate per person plus fuel. If the obstruction can be resolved by FoamInstall on the day an hourly day work rate will be charged.

#### c) Cover Travel Costs

If the job is further than 100 miles from BH7 7AQ there will be an added surcharge for travel, should there be any overnight accommodation required this will be added to the final bill at cost.

### 2) FoamInstall agree to

#### a) Deliver Service and Product

FoamInstall pride ourselves on the work we carry out. We will deliver customer satisfaction on each job undertaken. We will provide our normal high standard of work to each job, including;

- Taping up of beams where required
- Felt/Lining to be installed where required (see rates)
- Cover sheets laid throughout loft area
- Cover sheets laid around loft access
- Cover sheets laid anywhere that a cable is run from van through to loft
- The best finish that can be obtained from the product used for that job

FoamInstall agree to install the foam to the specifications and correct depth as stipulated by the contractor.

#### b) Obtain Customer Sign Off and Satisfaction

A customer satisfaction form will be signed by your customer on FoamInstall paperwork at the end of the job to confirm that they are satisfied with the work undertaken, the manner in which it has been undertaken and the final clean down.

### **3) FoamInstall further agree**

#### **a) Additional Works**

FoamInstall agree that your customer is your customer and we are sub contractors for you the contractor. If any additional work or queries about additional work is mentioned they will be told to make contact with you the contractor. If there is any additional work that you have agreed with the customer and our rate is agreed while we are on site this work can be carried out while we are on site or to go back another time.

#### **b) Misrepresentation of Product**

We will not be held responsible for any misrepresentation of the product. For example; the customer is told that the finished product looks like plaster and can be painted. They must have been shown images of the finished product so as they are aware of what to expect.

#### **c) Under Measure**

Should FoamInstall find that the job has been under measured, work will still be carried out but any additional meterage will be charged at the agreed rate.

#### **d) Damage Responsibility**

Should FoamInstall cause any damage to ceilings or other property damage, it is the responsibility of FoamInstall to make it right. However, all lofts joists and beams must be structurally sound and be a minimum of 6" x 2" timbers on the floor which can be boarded to take the sprayers weight.

### **4) Warranty**

FoamInstall agree to record the appropriate information from the chemical used for installation. We will then apply for the warranty from the supplier of the chemical used and pass this onto the contractor for distribution to the customer. The warranty for any job that is undertaken by FoamInstall will be supplied within 30 days of completion of the job to the contractor.

### **5) Payment Terms**

All payments will be payment on account unless otherwise agreed with FoamInstall.
